Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Sunday 12 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunshine to start, a little cloudier later.

Today:
A bright start today with outbreaks of sunshine. Cloud will bubble up through the course of the morning and afternoon but with plenty of dry and warm sunny spells remaining, especially along the south coast. Winds remaining light. Maximum temperature 21 deg C (70 deg F).

Tonight:
Partly cloudy skies this evening, with some further outbreaks of sunshine before dusk. Similar overnight. Coolest toward the south coast. Minimum temperature 10 deg C (50 deg F).

Monday:
Another day of light winds and cloudy conditions for most. Some brighter spells possible at times, with brief warm sunny periods. Maximum temperature 21 deg C (70 deg F).

Outlook for Tuesday to Thursday:
A showery but warm day most likely on Tuesday. High pressure then likely building, with foggy nights and mornings, and the odd shower during the days on Wednesday and Thursday.
